WHEREAS, the Clark-Shawnee Local School District (the "School District"), County of Clark, Ohio, is undertaking its Ohio School Facilities Commission Classroom Facilities Assistance Program Project (and locally funded initiatives), which includes renovation of the 7-12 High School/Middle School building (the "Project");

WHEREAS, the School District Board of Education (the "Board of Education") entered into a Project Agreement (the "Project Agreement") with the Ohio Facilities Construction Commission/Ohio School Facilities Commission (the "Commission") for the Project;

WHEREAS, the Board of Education, with the approval of the Commission, has contracted with a qualified professional design firm, SHP Leading Design (the "Architect"), under Sections 153.65 to 153.71, ORC, to prepare plans, specifications and estimates of cost, and such data as the Board of Education and Commission deem necessary for the Project in compliance with the Project Agreement, and Section 3318.091, ORC;

WHEREAS, the Commission has provided a budget for the Project and said budget has been reviewed by Architect and total budget was included in the Project Agreement;

WHEREAS, the Architect has compiled, dated and signed a program of requirements for the Project which determined the scope of the Project, and the Board of Education approved the design phase related to the program of requirements; and

WHEREAS, the Architect has submitted the construction documents to the School District, Peterson Construction, the construction manager at risk, and the Commission, including an estimate of the construction cost referred to as the "Construction Documents Estimate", and the parties have reviewed and commented on the provisional construction documents;

WHEREAS, the School District now desires to approve the construction documents stage submission, which included the Construction Document Estimate.

2. Based upon Basis of Design documents and other information prepared for the work included in GMP Amendment No. 2.3 by SHP Leading Design, the design professional for the Project (A/E), the CMR prepared a guaranteed maximum price (GMP) proposal for the Shawnee High School Building Package and GMP Amendment No. 2.3, including supporting documentation and exhibits, all of which has been reviewed by the Core Team.

DD. 2018-2019 CALAMITY DAYS RESOLUTION

WHEREAS, pursuant to Ohio Revised Code Section 3313.48, the Clark-Shawnee Local School District Board of Education ("Board") adopted a District Calendar for the 2018-2019 school year, which sets forth the following with respect to the declaration of calamity days during the 2018-2019 school year: "if 5 calamity days are used, time will be made up as follows: 3 blizzard bags (e-days), days may be added to the end of the school year"; and

WHEREAS, as of the date of this Resolution, the District has been closed due to declaration of calamity for a total of nine school days; and

WHEREAS, as of the date of this Resolution, the District has been closed due to bereavement for one school day; and

WHEREAS, the Superintendent has been advised by the architect and contractors engaged in the construction of new facilities for the District that any make-up days added to the end of the adopted District Calendar for the 2018-2019 school year will have an adverse impact on the master construction schedule; and

WHEREAS, accordingly the Superintendent is recommending that the Board declare its intent to waive any make-up days that might otherwise have been added to the end of the adopted District Calendar for the 2018-2019 school year to the extent such waiver ensures that the District is still in compliance with minimum number of student instruction hours required pursuant to Ohio Revised Code Section 3313.48;

NOW, THEREFORE BE IT RESOLVED, that the Clark-Shawnee Local School District Board of Education, having fully considered the Superintendent's recommendation as set forth herein, and for good cause shown, hereby acts to formally amend the District Calendar for the 2018-2019 school year to reflect the Board's approval of the Superintendent's recommendation to waive any and all make-up days that might otherwise have been added to the end of the adopted District Calendar for the 2018-2019 school year so long as such waiver does not cause the District to be out of compliance with the minimum number of student instruction hours required pursuant to Ohio Revised Code Section 3313.48;

BE IT FURTHER RESOLVED that the Clark-Shawnee Local School District Board of Education hereby authorizes the Superintendent to communicate this action to all constituents and to formally amend the District Calendar for the 2018-2019 school year as posted publicly.
