- 1. My child may not be admitted or may need to be transferred back to his/her home school at the end of the school year if the maximum number of enrollments in the classroom or program s/he is attending becomes filled by resident students of Clark-Shawnee Local School District or by tuition students.**
- 2. I understand that my child must maintain acceptable discipline and attendance records as outlined in the Clark-Shawnee Local Schools Handbook. If my child has been suspended or expelled for ten (10) or more consecutive days during the current or preceding semester, s/he may be denied admission.**

- 4. If my child should require special education services or a reasonable accommodation for a Section 504 disability, s/he may be transferred to a school in the Clark-Shawnee Local School District that currently provides such services or can make the accommodation, if the school s/he is attending is not providing the services or cannot make the reasonable accommodation. If the Clark-Shawnee Local School District is unable to accommodate my child's special education needs, the Superintendent will notify my student's home district to determine which district should arrange for services at the expense of the home district.**
