PARENT AGREEMENT INTER-DISTRICT OPEN ENROLLMENT

If we are informed that our child is to be enrolled in the school we have selected in the Clark-Shawnee Local School District we agree to the following conditions:

Our child may not be admitted or may need to be transferred back to his/her home school at the end of the school year, if the maximum number of enrollments in the classroom or program s/he is attending becomes filled by resident students of Clark-Shawnee Local School District or by tuition students.

I understand that my child must maintain acceptable discipline and attendance records as outlined in the Clark-Shawnee Local Schools Handbook in order to be considered for readmission through open enrollment. If my child has been suspended or expelled for ten (10) or more days during the current or preceding semester, s/he may be denied admission.

My child may not be admitted if the services described in his/her IEP are not available in the Clark-Shawnee Local School District.

If our child should require special education services or a reasonable accommodation for a Section 504 disability, s/he may be transferred back to a school in his/her resident district or to a school in that district that currently provides such services or can make the accommodation, if the school s/he is attending is not providing the services or cannot make the reasonable accommodation. If the Clark-Shawnee Local District is unable to accommodate my child's special needs, the Superintendent will notify my student's home district to determine which district should arrange for services at the expense of the home district.

I shall provide the transportation for my child either to the school s/he will be attending or to a current school bus stop within the Clark-Shawnee Local School District. Intra-district transportation may be arranged at a current bus stop within the boundaries of the building of attendance with the bus supervisor.

OHSAA Athletic eligibility guidelines will be in effect for a student in grades 7-12. Any open enrolled students who are eligible to participate in inter-scholastic athletics could lose their eligibility for an entire year if or when they return to the home district. Students and parents are urged to become aware of and consider these athletic guidelines before making application for Inter-district Open Enrollment.

The Clark-Shawnee Local school District's Inter-District Open Enrollment Guidelines are located on the district's web site at www.clark-shawnee.k12.oh.us. You may request a hard copy of these guidelines by calling 328-5378. By signing below you agree to those Guidelines.

If Clark-Shawnee Local School District learns that a student's open enrollment application has been falsified or the home school identified refuses to pay tuition costs, tuition will be charged pursuant to Ohio Rev. Code §3317.08
