Requests: Ashley Hill, the music teacher, is taking the 4th and 5th grade to a Link Up Concert where they will play their recorders with the Springfield Symphony Orchestra. The 5th graders got snowed out of going last year so they are going this year with the 4th graders. The cost is \$5 per child- 90 children are going. \$450 Motion to pay 1st Amy, 2nd Keli Motion passed

Open floor: Roark Thompson gave a presentation on what we can spend the PTO money on. Fontas & Pinnell has a reading curriculum that Mrs. Elliott already used her funds to buy most of the 2nd grade. The curriculum is separated into 3 areas and can be tailored to any level of student in the class. The program helps the teachers teach to kids that are below a certain level, above the normal level and right at the normal level for each grade. The teachers love it and Mrs. Elliott would love to have it for all of K-3. Lots of research was put into this by Roark, Mrs. Elliott and Pam Young. It was asked if PTO could pay for the rest of 2nd grade and to buy the 3rd grade program now for \$9,500. Then sometime before summer purchase the 1st grade program for around \$7,000. It was suggested that PTO may be able to pay the \$7,000 for 1st grade sooner. Motion to approve timeline and Possible order the 1st grade sooner 1st Amy 2nd Keli Motion passed
