Mr. Morris, Superintendent

Thanks for the PTO's support on passing the levy. Fall 2021 is the projected move in date for the new elementary school. Renovation of the HS and building the elementary school will happen simultaneously. The elementary should take 17 months and the renovations for the HS should take 24 months. There is enough space on the land for a baseball/softball field.

Budget

Treasurer's report was read and approved.

Principal's Report

Grandparent's week and COSI on Wheels made for a busy week but went well. Book Room: instead of buying Scholastic premade tubs, going to buy individual books through the scholastic flyers and build our own tubs. So far bought 420 books for a total of \$2100. Going to us Scholastic Bonus points to get 100 book bins. It was approved by the PTO to use some of the money we are donating to buy shelving units for the book bins to sit on.
