I hereby authorize my son/daughter to drive the above-described vehicle(s) to and from Shawnee High School and verify that the information is accurate to the best of my knowledge.

I also understand that if it is determined that the driving privilege has been abused, his/her driving permit will be revoked by the school administration.

In connection with this request, I consent to the unlocking, opening and inspecting of the automobile and its contents while on school premises, based on the reasonable suspicion of a school administrator that the vehicle or its contents may violate law or school rules.

Excessive tardiness, truancy, skipping class and other infractions are grounds for revoking a student's driving privilege, as is the failure to complete the parental drug and alcohol seminar. This will require the student to ride the school bus or to arrange alternate transportation.
