Additional Duty (Support Staff)

The following supplemental positions for the pupil activity programs in the Clark-Shawnee Local School District were first offered to those employees of the District who are licensed individuals and no such employee applied and was qualified to fill the position such that the position was accepted by any such employee. The Board then advertised the position as available to any licensed individual who is qualified to fill it and who is not employed by the Board, and no such person has applied for and accepted the position. Thus, the Board resolved to employ the following non-licensed individuals to fill the following supplemental position.

Recommendation: To employ the above individual provided all statutory requirements are met, i.e. certification, background checks, etc. and recommendations are found to be satisfactory.
