March 20, 2020

Dear Braves Class of 2020,

We wanted to take a moment to reach out to each of you seniors in the Shawnee High School Graduating class of 2020. We wanted to let you know that we are thinking about you in this difficult season. We recognize that your senior year is a very special time full of events and opportunities to create memories with classmates, friends and family, and that you aren't sure about what the coming months might bring. Remember: this is temporary; it will not last!

We'd also like you to know that we have not forgotten about the upcoming events that mark this special time in your life. All of these important events are still scheduled as planned. We will continue to reach out and update you on any developments that are specific to your senior class. We are still hopeful that these marked events will still be able to occur, however, if they are not, we will work to be creative in order to celebrate and honor you as our Class of 2020.

We would like to encourage you to stay the course in your academics in this strange season of Distance Learning. You are inches from the finish line. Finish your courses strong, stay connected to your teachers, and most importantly, stay connected to each other. We'd like you to know that you are not alone. You have been in the forefront of our thoughts and our plans as we work to move our school in this new direction.

In the meantime, stay connected to your classmates and teachers. We encourage you to use social media (Instagram: bravesmedia) and Facetime to communicate with friends, classmates and loved ones. We are thinking of creative ways to connect the senior class during this time – so if you have ideas reach out to us.

In a few short weeks you will graduate as a Shawnee Brave. While we may not know the details now, we will be celebrating your accomplishments with you. The lessons you have learned as a Shawnee Brave have prepared you to be successful in whatever path you choose. We will work together to make this current experience an experience from which we can learn and grow. Please continue to stay focused on your bright future and all it has in store for you. Remember to dream BIG and be BRAVE.

Go Braves!

Michelle Heims, Campus Principal
Chad Mossing, High School Principal
Steve Tincher, Athletic Director
Brian Kuhn, Superintendent
Brian Masser, Assistant Superintendent
